ENVIRONMENTAL POLICY

Kingston Carton Company Limited and Hull Premier Printing Company Limited recognises the importance of environmental considerations and will take these into account at all stages of business planning, development, production and marketing whilst taking into consideration stakeholder interests and continuing to produce high quality products to our customers' specification and satisfaction. This policy will be subject to yearly review by the management board.

In particular, senior management will ensure that the following objectives will be pursued as far as is reasonably practicable:

1. All applicable legal requirements are complied with.
2. The EMS will be used so as to ensure continual improvement is achieved
3. A commitment to prevention of pollution and reduction in the use of non sustainable resources and products
4. Conservation of energy.
5. Conservation of natural resources used in our manufacturing and dispatch operations, particularly in the use of packaging.
6. Minimisation of waste in production and packaging.
7. Reduction of solvents into the workplace and atmosphere.
8. Provision of safe, clean and hygienic working conditions.
9. Reduction of noise levels to lowest levels practicable for employees and members of the public.
10. Safe storage and disposal of waste to meet "Duty of Care" requirements.
11. The responsible development, operation and maintenance of plant and associated processes to reflect the principals above.

Monitoring of compliance with these aims as well as the setting of environmental objectives and targets will be a line management function with reports by department managers being made to the management board as and when required.
