## HYGIENE POLICY

The Directors and management of **Kingston Carton Company Ltd**, have implemented a documented system of Hygiene Management supported by a HACCP System which meets the requirements laid down in the British Retail Consortium (BRC) & Institute of Packaging (IOP) Global Standard for Packaging and Packaging Materials.

By adopting this standard it is our intention to supply safe and legal products to our customers approved by certification.

It is our commitment to all our customers that we are dedicated to the manufacturing of cartons to a standard required for the food and healthcare sectors, an area that we pride ourselves. These standards are indicative of our overall desire to produce cartons covering all market sectors.
