QUALITY POLICY

It is the Policy of **Kingston Carton Company Ltd** to obtain and maintain approval as a Firm of Assessed Capability to ISO 9001: 2008.

The primary objectives of **Kingston Carton Company Ltd** are to supply folding cartons to its customers, to be an excellent supplier in terms of service and quality – something which the Company and its members strive to achieve in all cases. The Company has established itself as a strong market leader in terms of customer satisfaction and are committed to a policy of continuous business improvement

The Company intends to grow its customer base, establish a strong position in identified sectors and be endorsed as such by accreditation.

The Quality Assurance systems and procedures contained in and referred to by the Manual have been carefully compiled to ensure the accuracy will be adhered to by all employees of **Kingston Carton Company Ltd**.

It is the responsibility of all employees to ensure the Company's products are supplied and inspected in accordance with specified requirements. The **Quality Assurance Representative** shall be responsible for ensuring this Policy meets the expectations and needs of the customers and is understood, implemented and maintained by all employees.

The compilation, revision and maintenance of the Manual and the associated procedures along with the continued and effective use of the procedures is the responsibility of the **Quality Assurance Representative**.

Authority to give directions within the terms of the procedures lies with the **Print Manager** who has accepted the dual role of **Quality Assurance Representative** and as the nominated representative is responsible for ensuring that the requirements of **ISO 9001: 2008** are implemented and maintained.

David Wilson
